

## DETROIT STORY LEAGUE SCHOLARSHIP APPLICATION

***It is the goal of the Story League Scholarship fund to encourage members to attend local, regional, and national conferences and workshops and to share something they have learned with the membership.***

The amount of the scholarship will be determined by profits received from our **Tellabration** in November, not to exceed \$300. The Executive Board will review all applications and make a determination at the Annual Meeting in April. The board will decide if the Scholarship is to be awarded to one individual or shared among chosen applicants. Scholarship winner(s) will receive their award after attending the workshop or conference and presenting a workshop at a monthly meeting unless there are special circumstances.

Deadline for submitting application is **March 1**.
